

**All Saints' Anglican Church
Readers and Intercessors 10.00am Service**

- Thank you for your ministry of reading and interceding.
- It is important that the Scriptures be prayerfully read several times beforehand in preparation.
- The Bible that you will be reading from is the New Revised Standard Version (NRSV). Please familiarise yourself before the service and read slowly.
- The minister has also asked that readers be in readiness to move to the microphone after the prayer of the day to read the bible and after the sermon to read the intercessions.
- Readers are responsible for any changes. Please swap amongst yourselves.
- I will be presuming you wish to continue on the roster unless you tell me otherwise.
